**Kish Bancorp, Inc. Named in US Banker's Top 100**

**Belleville, PA (June 10, 2011)** - Kish Bancorp, Inc. announced today that it was ranked among the top 100 community banks in the country by US Banker magazine.

"We are proud that US Banker magazine has once again recognized our exceptional financial performance with a top 100 ranking," said William P. Hayes, Chairman, President and CEO of Kish Bancorp, Inc. He added, "But we are even more pleased with how we achieved it – by focusing on our local communities and continuing to ensure that every one of our customers can *expect more* from Kish Bank." Kish Bank has been recognized among US Banker's top community banks for three consecutive years.

US Banker, a monthly magazine for financial services executives, compiles an annual ranking of the top 200 community banks and thrifts in the nation. The ranking is drawn from all publicly traded banks and thrifts in the United States with less than \$2 billion in assets. The ranking is based on the institution's three-year-average return on shareholders' equity.

"Our performance, reflected in the ranking, demonstrates our continued commitment to our shareholders and customers," Hayes said. "This recognition could not be achieved without the knowledgeable team of professionals at Kish who are dedicated to high-performance, sound banking practices, and solid strategic planning."
