

Kish OnLine Banking Enrollment

Step 1

Go to www.kishbank.com on any computer or mobile device. Click the yellow Login dropdown in the upper right area of the page, then click the "Sign Up" link.

Step 2

Designate the type of account you will be using. (In this example, we use "Checking, Savings or Money Market Account," but if you have a loan or an ATM/debit card, you may use that option.)

Check the box signifying that you have read and agree to the terms, then click Continue at the bottom of the screen.

Note: If you are enrolling as a business, be sure to select the "I am enrolling as a Business" box. Fields and required information may vary slightly from what is shown in these instructions.

Step 3

Complete the fields with your personal or business information.

Enter your Account Number (not Kish Check Card number) that you received at account opening.

If this is a new account, Last Statement Balance will be \$0.00. If not, enter the end balance from your last paper statement for this account.

Click Continue at the bottom of the screen.

Online Banking Enrollment

Collecting your information.

Please enter your account information.

First Name:

Last Name:

Last 4 Digits of SSN:

For example, if your Social Security number is 123-45-6789, then enter 6789. This information is used for identification purposes only. It is safe and secure and no one else has access to it.

For example, name@example.com.

Confirm E-mail Address:

Birth Date (mm/dd/ccyy): / /

Please select the month and day of your birth and enter the year. For example, 1952.

Zip:

Home Phone Number:

Enter your Home Phone Number including area code.

Please enter your retail checking, savings or money market account information.

Account Number:

Enter the Account Number associated with your Checking, Savings or Money Market account.

Last Statement Balance:

The end balance on your last statement for this account.

Online Banking Enrollment

Creating User Profile

Create a User ID and Password for access to the Kish Bank Online service.

User ID:

Your User ID must be at least 8 characters in length, must contain at least two letters and two numbers, and must be different from your Password.

Confirm User ID:

Password:

Your Password must be at least 8 characters in length, must contain at least one letter and one number, and must be different from your User ID.

Confirm Password:

Step 4

Enter a User ID and password of your choosing, following the criteria.

Click Continue at the bottom of the page to finish enrollment.

After enrolling, you can download the Kish Bank App from the App Store or Google Play on your mobile device.

Note: If enrollment is successful, you will have immediate access to your account. In some circumstances, additional verification may be required. If this is the case, you will receive a letter in the mail from Kish Bank with a temporary password to activate your account.
