

Instructions for PPP Schedule A Worksheet

Complete the PPP Schedule A Worksheet or obtain an equivalent report from the Borrower’s payroll system or payroll processor.

Table Instructions

Employee’s Name: Separately list each employee. Do not include any independent contractors, owner-employees, self-employed individuals, or partners.

Employee Identifier: Enter the last four digits of each employee’s Social Security Number.

Cash Compensation: Enter the sum of gross salary, gross wages, gross tips, gross commissions, paid leave (vacation, family, medical or sick leave, not including leave covered by the Families First Coronavirus Response Act), and allowances for dismissal or separation paid or incurred during the Covered Period or the Alternative Payroll Covered Period. For each individual employee, the total amount of cash compensation eligible for forgiveness may not exceed an annual salary of \$100,000, as prorated for the Covered Period; therefore, do not enter more than \$15,385 in Table 1 or Table 2 for any individual employee.

Average FTE: This calculates the average full-time equivalency (FTE) during the Covered Period or the Alternative Payroll Covered Period. For each employee, enter the average number of hours paid per week, divide by 40, and round the total to the nearest tenth. The maximum for each employee is capped at 1.0. A simplified method that assigns a 1.0 for employees who work 40 hours or more per week and 0.5 for employees who work fewer hours may be used at the election of the Borrower.

This calculation will be used to determine whether the Borrower’s loan forgiveness amount must be reduced due to a statutory requirement concerning reductions in full-time equivalent employees. Borrowers are eligible for loan forgiveness for certain expenditures during the Covered Period or the Alternative Payroll Covered Period. However, the actual loan forgiveness amount that the Borrower will receive may be less, depending on whether the Borrower’s average weekly number of FTE employees during the Covered Period or the Alternative Payroll Covered Period was less than during the Borrower’s chosen reference period (*see* Instructions to PPP Schedule A, Line 11). The Borrower is exempt from such a reduction if the FTE Reduction Safe Harbor applies. See the FTE Reduction Safe Harbor instructions below.

Salary/Hourly Wage Reduction: This calculation will be used to determine whether the Borrower’s loan forgiveness amount must be reduced due to a statutory requirement concerning reductions in employee salary and wages. Borrowers are eligible for loan forgiveness for certain expenditures during the Covered Period or the Alternative Payroll Covered Period. However, the actual amount of loan forgiveness the Borrower will receive may be less, depending on whether the salary or hourly wages of certain employees during the Covered Period or the Alternative Payroll Covered Period was less than during the period from January 1, 2020 to March 31, 2020. If the Borrower restored salary/hourly wage levels, the Borrower may be eligible for elimination of the Salary/Hourly Wage Reduction amount. Borrowers must complete this worksheet to determine whether to reduce the amount of loan forgiveness for which they are eligible. Complete the Salary/Hour Wage Reduction column only for employees whose salaries or hourly wages were reduced by more than 25% during the Covered Period or the Alternative Payroll Covered Period as compared to the period of January 1, 2020 through March 31, 2020. For each employee listed in Table 1, complete the following (using salary for salaried employees and hourly wage for hourly employees):

Step 1. Determine if pay was reduced more than 25%.

- a. Enter average annual salary or hourly wage during Covered Period or Alternative Payroll Covered Period: _____.
- b. Enter average annual salary or hourly wage between January 1, 2020 and March 31, 2020: _____.
- c. Divide the value entered in 1.a. by 1.b.: _____.
If 1.c. is 0.75 or more, enter zero in the column above box 3 for that employee; otherwise proceed to Step 2.

Step 2. Determine if the Salary/Hourly Wage Reduction Safe Harbor is met.

- a. Enter the annual salary or hourly wage as of February 15, 2020: _____.
- b. Enter the average annual salary or hourly wage between February 15, 2020 and April 26, 2020: _____.
If 2.b. is equal to or greater than 2.a., skip to Step 3. Otherwise, proceed to 2.c.
- c. Enter the average annual salary or hourly wage as of June 30, 2020: _____.
If 2.c. is equal to or greater than 2.a., the Salary/Hourly Wage Reduction Safe Harbor has been met – enter zero in the column above box 3 for that employee. Otherwise proceed to Step 3.

Step 3. Determine the Salary/Hourly Wage Reduction.

- a. Multiply the amount entered in 1.b. by 0.75: _____.
- b. Subtract the amount entered in 1.a. from 3.a.: _____.

**Paycheck Protection Program
Loan Forgiveness Application**

**OMB Control Number 3245-0407
Expiration Date: 10/31/2020**

If the employee is an hourly worker, compute the total dollar amount of the reduction that exceeds 25% as follows:

c. Enter the average number of hours worked per week between January 1, 2020 and March 31, 2020:

_____.

d. Multiply the amount entered in 3.b. by the amount entered in 3.c. _____. Multiply this amount by 8: _____. Enter this value in the column above box 3 for that employee.

If the employee is a salaried worker, compute the total dollar amount of the reduction that exceeds 25% as follows:

e. Multiply the amount entered in 3.b. by 8: _____. Divide this amount by 52: _____.

Enter this value in the column above box 3 for that employee.

FTE Reduction Exceptions: Indicate the FTE of (1) any positions for which the Borrower made a good-faith, written offer to rehire an employee during the Covered Period or the Alternative Payroll Covered Period which was rejected by the employee; and (2) any employees who during the Covered Period or the Alternative Payroll Covered Period (a) were fired for cause, (b) voluntarily resigned, or (c) voluntarily requested and received a reduction of their hours. In all of these cases, include these FTEs on this line only if the position was not filled by a new employee. Any FTE reductions in these cases do not reduce the Borrower's loan forgiveness.

Boxes 1 through 5: Enter the sums of the amounts in each of the columns.

FTE Reduction Safe Harbor

A safe harbor under applicable law and regulation exempts certain borrowers from the loan forgiveness reduction based on FTE employee levels. Specifically, the Borrower is exempt from the reduction in loan forgiveness based on FTE employees described above if both of the following conditions are met: (1) the Borrower reduced its FTE employee levels in the period beginning February 15, 2020, and ending April 26, 2020; and (2) the Borrower then restored its FTE employee levels by not later than June 30, 2020 to its FTE employee levels in the Borrower's pay period that included February 15, 2020.
